## Cue and Curtain Presents 'Contrast' At Wardman Theatre April 29, 30

Popular Prices Prevail for  
Tickets; Use of Order  
Blanks Requested

Tickets for the two performances of "The Contrast" by Royall Tyler which Cue and Curtain will present Friday and Saturday evenings, April 29 and 30, at Wardman Park Hotel have been placed on sale in the office of the bursar and at two mid-city locations and the demand for them has been most gratifying to the business staff of the University drama club.

Meanwhile, Constance Connor Brown, director of dramatics, and John Madigan, stage manager, are zealously putting in many hours every day rehearsing the large cast and preparing the four sets and ten changes which the production requires. All of the scenery will be constructed in Colonial style, the stage being decorated to resemble a theater of the Revolutionary period, with stage boxes overlooking the scene from a lofty perch over and behind the actors.

"The Contrast" is a fascinating play, inspired by a genuine feeling on the part of its author who was deeply charmed at the loss of his sweetheart, Abby Adams, daughter of President John Adams, to a rival whose veneer of culture made him seem superior "by contrast" to the hero until the main quality of the latter's character had a chance to be appreciated. Royall Tyler put his thoughts into words that impart a real charm, effectively combining comedy with the more serious thoughts of the hero, and achieving a result that ranks now as a genuine antique, an eighteenth century museum piece that is as theatrically effective as any play of the period.

A well balanced and unusually able cast has been assembled to play the large number of choice roles which the play affords. Comedy has been en-

## History Society Will Feature Bicentennial At Special Meeting

George Washington University will play a major part in the meetings of professional historians and teachers of history, which will be held in Washington on May 7 in celebration of the Bicentennial. The American Historical Association is holding a special meeting here on that date.

Professor Samuel Flagg Bemis of the George Washington University history department, is chairman of the committee in charge of the program. Others on the committee include Professor Leo F. Stock of Catholic University, and Dr. Henry E. Bourne, editor of the American Historical Review.

This meeting will be held in the Coolidge Music Auditorium of the Library of Congress. The program is to be divided into two sessions. The first session will be held in the afternoon, presided over by Dr. Albert B.

## Dr. Strong to Talk To Education Clubs

"Applied Geography and Its Cultural Values" Subject of Speech

Dr. Helen M. Strong, chief of the Geographic Section of the Bureau of Foreign and Domestic Commerce, will speak to members and guests of the Women's Education Club at their meeting Wednesday evening, April 20, at 8 o'clock in Lambie House. Her subject will be "Applied Geography and Its Cultural Values."

Dr. Strong, who received her Ph. D. degree in geography at the University of Chicago, was formerly assistant professor of geography at the University of Missouri and has taught summer courses at Northwestern University and Pennsylvania State. She is a member of the Association of American Geographers, composed of professional geographers, and a fellow of the American Geographic Society and the Royal Geographic Society of London.

A short business meeting including the election of officers will precede Dr. Strong's address. Members of the Men's Education Club and women students interested in the subject to be discussed are invited to attend. Refreshments will be served.

## Coquette in Comedy

Virginia Wilson, who will play an Eighteenth Century vamp in the latest University production.

## Women Will Meet To Discuss Sports

Physical Education Society  
To Convene at New Brunswick, April 19

A group of major students and instructors of the Physical Education Department for Women of the University will attend the thirty-seventh annual convention of the American Physical Education Association at Philadelphia, from April 19 through April 23. Ruth Atwell and Ruth Aubeck, instructors, also are attending the nineteenth annual meeting of the Eastern Society of the Directors of Physical Education for Women in Colleges and Universities, on April 18 and 19.

## Popularity Contest Entries Must File By 5 P. M. Friday

Gate and Key Committee Announces Plans for Carnival Feature

Gate and Key announce that all women students of the University are eligible for entry in the popularity contest that will be sponsored by that society as their part in the All-University carnival to be staged the first week-end in May, for the benefit of the University Band. Candidates must submit their entries to Director Malkus at Carnival headquarters in the basement of Building Q, on Twentieth street, by 5 p. m. Friday, April 22. All entries must be accompanied by photographs.

There will be an assembly of contestants, probably on both Saturday and Monday, April 23 and 25, for the purpose of taking pictures to use in the local papers. Final announcement of entries, with photos, will be made in The Hatchet, issue of April 26, and with the appearance of that week's paper.

(Continued on Page 4, Col. 1)

## Numerous Entries Listed for Carnival

Vodvil, Television, Booths, Skits, Stunts to Feature Gala Affair

With entries still piling in for the Grand All-University Carnival to be staged on the George Washington campus, May 6 and 7, every indication points to a social highlight that will surpass even the fondest expectations of the Student Council committee, and Louis Malkus, who is in active charge. Chi Omega made the first official entry in the vodvil division. The horseshoe girls are going to put on a folies, the chorus of which should be a pip. The Sigma Kappas, not to be outdone, tossed their entry into the ring in the form of a fashion show. The larger Washington department stores will contribute the latest in what the peticoats should wear. In addition to the fashion show, Sigma Kappa also entered a booth for vending ice cream, etc.

Close on the heels of this entry came one from the Golden Arrow girls of Pi Beta Phi, also participating in both

## New Editor

Leo David, elected by the board Sunday night

## Leo David Elected New Hatchet Editor

Fills Vacancy Created When F. Winfield Weitzel Leaves University

Leo David was elected editor of The Hatchet at a meeting of the board of editors held Sunday night to complete the unexpired term of F. Winfield Weitzel, who recently vacated that office.

Weitzel was forced to leave the University because of pressure of outside activities. His term of office has been characterized by a number of important and beneficial changes in the policy and make-up of the University newspaper, among these being a greater cooperation with the Student Council and the adoption of an entirely new set of headlines and technical features.

The resignation of Wallis Schutt from the board of associate editors, effective immediately, was also read and accepted at the meeting.

David's worth as a journalist is well known to the editors and reporters of The Hatchet and his election to the editorship is in line with his capabilities. In his spare time he serves as an assistant to the dramatic editor, Mabelle Jennings, of the Washington Herald.

David started his journalistic career at the bottom as a junior reporter in his sophomore year. Climbing the

## No Increase in University Fees To Occur Next Year; President Marvin Acts to Quash Rumors

Comptroller Holmes Joins President in Declaring Continuance of Present Financial Policy, Keeping Rates as Low as Possible

University student fees will not be increased for the year 1932-33. Effectively spiking a series of malicious rumors whose inception is unknown, President Marvin and Comptroller Holmes moved today to make it clear to students in the George Washington University that no greater demand upon pocketbooks is contemplated for the academic year beginning next fall.

## Council Candidates Declare Platforms

Ten Days Remain Before Election; Results Due at Dance, April 29

Campaigning by candidates for election to the Student Council has begun in earnest, with platforms and open letters addressed to the students in the various schools of the University. Just ten days remain in which candidates may lay before their fellow students proof of their fitness and ability to serve as members of the Council.

Featuring announcement of election returns, the Student Council dance, to be given Friday evening, April 29, in Corcoran Hall, promises to be one of more than ordinary interest.

From time to time through the evening the results of the Student Council

## First Band Concert Proves Successful

## Comptroller's Statement

We have just learned the rumor is being circulated to the effect that student fees will be increased for the year 1932-33. There is no foundation for this rumor. There will be no increase of fees in any school or division of the University for the academic year 1932-33.

CHARLES W. HOLMES  
Comptroller  
April 15, 1932.

President Marvin, when questioned by The Hatchet, stated definitely that he has at no time considered an increase in fees over the present rate and declared himself at a loss to comprehend how the rumors started. He reaffirmed the "democratic" status of this institution, asserting that the administration wants to make the George Washington University's facilities available to any worthy individual, regardless of financial condition and that fees will therefore be maintained at as low a level as is possible.

Comptroller Holmes shared the President's amazement at the rumors and duplicated Dr. Marvin's statement of policy.

## Depression Dance Planned by Pledges

Former Council to Sponsor Party April 30 at Acacia House

The Interfraternity Pledge Council of last semester is continuing its activity this semester in the form of a "Depression Dance" which will be given at the Acacia house on Saturday, April 30, from 10:30 to 1:30.

The Council has been making a strong and successful effort to leave its financial status in such a condition that there will be no need of curtailment of any functions which may be planned by next year's council.

Tickets for the dance may be obtained from members of the council, or at the door. Admission will be a dollar with or without a date.

## Troubadours to Celebrate At Michel and Chanticleer

A gala evening is anticipated by the Troubadours tomorrow night, when they gather at the Clubs Michel and Chanticleer for a celebration.

About 100 members of the cast of "Happy Landings" are expected to be guests of the Troubadours as reward for their work in the show. Special arrangements have been made with the management of the Club Michel to provide exceptional entertainment for the members of the organization.

## Wile Inspires Convening Journalists With Speech on "Nimble Item"; Gideon Lyon, Associate Editor of Star, Relates Trials of Scribes

University Newspapermen Dining at the Mayflower Hotel, Wednesday, April 13

More than 65 members of Pi Delta Epsilon from as far north as St. Lawrence University, as far south as Georgia Tech, and as far west as Coe College, Iowa, were guests of the George Washington chapter at their annual convention here last week.

At a smoker given Tuesday evening at the Sigma Alpha Epsilon house President Cloyd Heck Marvin delivered the address of welcome. The import of his message was that veracity above all else should characterize journalism in all of its phases. President Marvin said that veracity and not suppression of news should be the concern of editors of the collegiate press and that if they will always be cer-

tain of the truthfulness of their editorial and news articles they need have no worry about suppression of news by administrative officers of our universities such as occurred recently at a large Eastern university.

Professor M. M. Harris, ranking grand vice president of Pi Delta Epsilon, acknowledged the welcome extended to the convention by the Colonial journalists, working in conjunction with the chapters from the University of Maryland and the Catholic University of America as hosts. Other national officers present were James R. Kilian, Jr., third grand vice president; Henry Gratian Doyle,

grand secretary; Roland S. Evans, grand treasurer; and Robert Hooper McNeil, grand editor.

The convention banquet was given Wednesday evening at the Mayflower Hotel with Frederic William Wile, Gideon Allen Lyon, Watson Davis, Ralph Palmer, and George F. Authier present as guests of honor.

Frederic William Wile, who delivered one of the two principal addresses, has just shortly returned from Geneva, where he had charge of international broadcasting plans of the Columbia Broadcasting Company in connection with the Disarmament Conference now in session there. Mr. Wile

is an honorary member of Pi Delta Epsilon and in addressing his brother fraternity men he promised the neophyte journalists that if they would continue to pursue the nimble-item they would have before them throughout their career a continuously changing panorama of events, the reporting of which would always be intensely interesting.

Gideon Allen Lyon, associate editor of the Evening Star, who delivered the second principal address related some of the interesting things that can occur in the life of a newspaper man.

## An Answer Demanded

Without a doubt, the vast majority of the 31 candidates for election to the Student Council for 1932-33 have little in their minds but personal aggrandizement or the advancing of the reputations of the organizations they represent. Despite the invitation of The Hatchet in the issue of April 12 and the further encouragement by the present Student Council at a meeting of candidates on April 14 to submit communications containing qualifications and platforms of candidates so that the 6,000 students in the University may know just who their representatives will be on the Council next year, only three aspirants have so far submitted information.

What of the remaining 28?

The Hatchet is not presuming to tell them that they fail to measure up to any sort of qualifications for Council candidates. The Hatchet is cognizant that in some cases the electorate of a School or Division is so small that a candidate may contact all of his potential voters personally. And The Hatchet knows only too well that the average student is a candidate because his personality, not his ideas, will encourage voters to select him.

But the Student Council is the ranking student organization and its members are qualified, within certain minor bounds, to control undergraduate activity without regard to Schools or Divisions. Therefore the entire University, both students and faculty, is entitled to a statement of some sort from every potential Council member.

The news columns of this paper are open to such material. If the recalcitrant 28 do not communicate their ideas in some form to The Hatchet before next Sunday evening, April 24, there will remain no logical interpretation for such action.

## Definitely Disproving a Rumor

A vicious rumor that has been wending its way deviously through undergraduate minds for the past three months has been effectively spiked before accomplishing any damage.

Maliciously or otherwise, this rumor without foundation has been circulated among students in the University, causing hundreds to be disturbed about their financial capability of returning to the University next fall.

The Hatchet is glad to be able to announce that there will be no increase in University fees of any sort for the year 1932-33 and that no further increase is contemplated. This will set at rest many worried minds and teach many a student busybody that idle gossip draws no credit upon its utterers.

### Interesting Find

A book entitled, "Arithmetick, Vulgar and Decimal; with the Application thereof, to a variety of Cases in Trade and Commerce," published in 1729, has been discovered in the Beloit College library. The author, T. Hancock, states in his preface that he hopes the book will be understood by those who have not been conversant with books, but he acknowledges that he had in mind all along "Persons of some Education and Curiosity."

### Kind Benevolence

## CHIPS

Hello, everybody! Throw up your windows, take a big, deep breath of fresh air, and get out your little pink exercise rug—or maybe it's mauve or beige. Well, anyway, get the darn thing out, and let's get worked up over the Pi Delta Convention—gathering of embryo editors, business managers, reporters, more reporters, and even the printer's devil, Rollo.

"No more Razz sheets," blurb Pi Delta. What good will it do to be a Pi Delta now? Fifty-five coeds go for Pi Delta dating mill, and lo, with 15 (due to Abou Ben Prichard) Piffle led all the rest, or is it just the first signs of a decadent "empire"? Amber Youngblood, in spite of her increasing—pardon me, and Peggy Padgett drew the popularity vote from the visitors. Give the little girls a big hand.

Leah MacArthur, on her date slip, requested a tall man with dark hair who doesn't wear glasses. All the better to see you with, Grandma.

All the scribes had a fine time, but it sure mystified them as to what a G.W.-ite means when he says, "our campus."

S. P. E. held their Formal by the courtesy of A. D. Pi who was having one of them endowment drags, which turned out pretty good after they opened the windows and doors and let in the stage. . . . Talking about dances—no one was there to see that there was no one at the Student Council dance last Wednesday.

"Give me liberty, or give me death!" cried Patrick Henry, and what did he get? Both! Thus raved our fraternal debaters, who opened their annual squabble for the Delta Sigma Rho mug last Thursday. (Adv. Reeves and Roberts.)

You ought to hear "Yumpin Yo" Danzansky yodel. Let's ask Harrington and Hanback if they don't think they're hustling spring these days with that wounded zebra look—you know. . . . Did you say spring? Did you know that the football team just finished its seasonal maneuvers and what nice looking pansies we have in the back yard? Of course you didn't.

Here is the announcement you have been waiting for. Add a word a week to your vocabulary. One, two, three, piffle! This by courtesy of Professor Churchill—"megacephalic."

For meaning, send two hundred self autographed Chips Columns to Dick Rollo, or look in the city directory. . . . George Washington to publish Law Review. Well, it's a good thing, for now that the Razzberry's gone we wouldn't have had anything to laugh at. . . . My goodness, thought they had closed up the University for the day on Thursday when we walked up G Street, but on turning the corner, we saw that everybody had just gone to the band concert given by our patron of the arts, Lorenzo de Medici Marvin.

The A. D. Pi housewarming went off fine until somebody moved the sofa and found out where the pledges put the dirt. . . . Did you note the blue bread? Perhaps it was to match the Depression.

The Interfraternity Pledge Council has announced a Depression Dance, but the price is still a slug. . . . It cost Professor Johnston twenty cokes when he went berserk and bet one of his classes that they couldn't find a mistake in an integration problem.

Have you ever yearned to write, longed to see your name in print? Who knows but what you can write? Yes, who knows? Anyway, send your witticisms, bitticisms and criticisms to Dick Rollo now, and then watch for our "All Fans" column. . . . With this we wish you a little cheer, and pleasant dreams. Au Revoir, but not goodbye.

DICK ROLLO.

## To the Students of the School of Government:

Thus far the students of the School of Government appear to have taken the most active interest in the coming Student Council elections. This, I think, is as it should be. It would be a credit to the School of Government to have the highest percentage of students participate in these most important elections.

The possibilities ahead of an efficient and progressive Student Council are unlimited. It can benefit the student body and administration alike, for the greater advantage of the University. Therefore it behooves the various schools to elect candidates whom they believe are most industrious, capable and best suited for the position.

My program would be one of progressive action in which I should voice to the Council the earnest desires of my constituents.

Some of the projects which I should like to see attempted are:

1. The student body should be given an opportunity to express its views upon making compulsory subscription to the yearbook, "The Cherry Tree," in the same manner that The Hatchet is now. In this way a larger and more representative annual could be produced at less expense. This I believe to be an improvement over leaving it to the various campus organizations to produce such a book at great expense and labor in the interest of but a small percentage of the total University enrollment.

2. I should favor having a committee appointed from the Student Council to launch a drive to have more University songs written. These songs, together with those already written, should be compiled and published. These songs could then be popularized by the Glee Club, Band and the Troubadours. The favorites could be used at University dances, and if one were written which had sufficient dignity and appeal, at Commencements.

3. With interest in the activities of the Council aroused by publicity in The Hatchet, I should favor the formulation of a plan whereby mooted questions could be submitted to the referendum of the student body. If a plan thus submitted won student support, the Council could espouse the project and work for its realization.

In the main, the Council should be an active intermediary between the student body and the administration, to bring about developments which would be to the mutual benefit of both, and to the greater advantage of the University, as a whole.

J. GEORGE WENZL.

## To the Students of Columbian College:

A student council in any university occupies a unique position in its manifold activity; first, it is the body representative of the university as a whole, through which the students may make known their desires; second, it is the governing agency of the student body; third, it is the unifying force in a university; fourth, it is the group to which the students and the administration look for initiation of improvements in university life.

The first point to keep always in mind is that the Student Council is the student body. It is the one organization to which a student may submit his ideas and suggestions in connection with any phase of university life, and know that they will be given consideration and acted upon.

As the governing agency of the student body, the council is responsible to the students and to the administration. It has been the often difficult task of harmonizing these two. Our Student Council has shown its consciousness of this part of its job in its sincere attempt to install the point system for activities, and in its installation of the social calendar.

The ability to function as a unifying force in the university has been successfully demonstrated by our Student Council in the organization and maintenance of the University Band, an undertaking in which every student and every organization was given the opportunity to participate, and the forthcoming All-University Carnival is another project whose success will depend on the cooperation of the entire University.

Its duty to lead the student body, to anticipate its needs, and to work for their fulfillment is the most delicate side of the activity of the Student Council. On the consciousness of, and on the unceasing effort to carry out, this responsibility, rests the efficacy of the Student Council.

The foregoing is what a student council means to me, as a student in George Washington University. In asking your support of my candidacy for the Student Council, as delegate from Columbian College, I pledge myself to represent you on that body, and carry on the duties of the Student Council as I see them.

CATHERINE PRICHARD.

## WORLD NEWS

By RICHARD C. MARKS

Secretary of State Stimson is in Europe, ostensibly to head the United States delegation at the Geneva disarmament conference which will soon resume its sessions. While the secretary will no doubt make constructive proposals for arms reduction, his personal conferences with leading European statesmen and financiers will probably be equally as important. Included among the many subjects that Col. Stimson will probably talk over are: Reparations and debt reductions, the Hoover moratorium extension, international trade barriers, Far Eastern conditions, and the World Court. American "isolation" is daily fading away, which it must, if the nation is to exist in this highly complex interdependent economic world.

Last week the nation's "wets" flooded Washington and staged their show on Capitol Hill and in public. This week the "drys" are here to attack and to praise. Papa, how long is this battle going to last?

Transatlantic airship service is now a reality. Within the last month the Graf Zeppelin has made two trips from Germany to Brazil, without benefit of ballyhoo. The voyages, no longer experimental, are made on a paying basis, with the ship carrying passengers, freight and mail.

Soviet Russia has experienced a few setbacks in its five year plan. Production in some of the major industries has not kept up to schedule. Plant managers who have failed to produce have been subjected to public ridicule and in some cases have been violently punished. The Soviets have a peculiar if not effective way of running their industrial machinery.

Franklin D. Roosevelt now has 235 votes guaranteed for the Democratic presidential nomination. He needs over 700, but his popularity far outruns that of any other candidate. Last week's Jefferson Day dinner, however, was the scene for what the newsmen called an attack upon Roosevelt by his old pal, Alfred E. Smith.

To print or not to print—that is the question upon which the proposed two billion dollar bonus bill is based. Should the Government pay its World War Veterans the money it has promised they will eventually get, that money would probably be "printed" and issued without the backing of actual gold or silver. The American Legion national officers have opposed the bonus, though many individual chapters have voiced their approval. The leading organization sponsoring the measure is the Veterans of Foreign Wars. The President does not expect the bill to pass; if it does he will veto it.

The Congressional economy committee and the President have been dickering with each other for days to reach an agreement for reduced federal expenditures. Numerous conflicting proposals have been announced and denounced. In any event, it looks as if a considerable number of George Washington University's star (?) students will get a pay cut if not a total loss of their government positions here.

Federal aid for unemployment relief throughout the nation is now a probability. Private relief funds in most large cities are almost depleted and the situation is daily becoming very serious. With few signs of business revival in sight, drastic efforts to feed, clothe and house millions of jobless men and women will soon have to be made.

# Columbian, Junior Colleges Win First Tilts in Intramural Baseball

Gleeson Silences Pre-Med Bats as Teammates Roll Up 11-2 Score; Columbians Slug Way to 13-4 Victory Over Pharmacy School

By JOHN BUSICK

The intramural baseball series opened last week with two games in which the Junior College defeated the Pre-Meds 11-2 in the curtain raiser and Columbian College continued its winning streak of last year by defeating the Pharmacy School 13-4.

Both games offered some good baseball and the usual amount of poor work. By its decisive victory over the future medics, the Junior College nine pulled something of a surprise. A rather even game was expected but Andy Gleeson's steady work in the box held the Pre-Meds at bay throughout.

The Columbian College nine, winners for the last two years and favorites to repeat, showed an even-balanced smooth functioning team whose performance was even more commendable considering the weather and the fact that this was their first game.

Bill Noonan, starting hurler for the Pre-Meds on Friday, yielded one run in the first, two in the second, five in the third, and three in the fourth before his mates could show anything on the attacking side.

## Junior College Scores First

With two out in the first, the Junior College broke the ice when Alfaro singled cleanly to right. Backus was hit by a pitched ball and Alfaro scored when Levine threw into left field in an attempt to catch him stealing third.

In the second, Melpolder walked, stole second and scored on Gleeson's hit to center, Gleeson going to second on the throw-in. Fisher was hit by a pitched ball, and both runners advanced on Knight's infield out. Gleeson scored when Jeweler threw Alfaro's hot grounder wide to first. Here Noonan tightened to fan Backus and end the rally.

Manville opened the third inning with a line drive to left field that got by Miller and went as a home run. Gough walked, May was called out on strikes but Melpolder was safe on Albert's error of his hot grounder. Gleeson drove in his mates with a long double to left center, his second hit. Fisher reached first on an infield hit and he and Gleeson scored on Alfaro's boulder to deep short which Albert muffed.

## Five Hits Net Three Runs

Three more runs were chased across by the Junior College aggregation in the next round on hits by Manville, Gough, Gleeson, Fisher, and Johnson.

This was the only inning in which Noonan was hit freely. His support was shaky throughout and at least half the six hits garnered off his delivery were of a scratchy nature. In four and one-half innings he struck out eight men. Kerr, who relieved Noonan, faced two batters and was replaced when his offerings were tapped for solid bingles.

Christiansen entered the box and retired the side without further scoring. In fact "Swede" fanned five of the seven batters to face him before the game's end and the Junior College men were stopped cold for the rest of the afternoon.

But the damage had been done and the Pre-Meds were able to score only twice off Gleeson. In the third Trilling doubled, stole third and scored on Miller's infield out. In the sixth Levine was safe on an infield out. In the sixth Levine was safe on an infield error, advanced to second on a fly and scored on Miller's long single to center.

## Gleeson, Manville Star

Every game has its stars and this was no exception. For the winners, Gleeson and Manville starred. "Andy" showed exceptional form at times though his support was good throughout. In the seven innings he allowed six well scattered hits and fanned nine men. On the attack he led the batters for the day with three hits and drove in four runs.

## Columbian Runs Away

Saturday's game between the Columbian College and the Pharmacy School was rather close until the fifth when the former drove in two runs for a five run lead. In the sixth they scored five more times to make the game a "run-away."

Behind the steady pitching of Hale Daniels the Columbian nine was never in danger after the first round. In that inning his wildness cost him one run and when the side was retired the bases were full. Walters drew a base on balls, Nathanson beat out a hit to first and the sacks were loaded when Chamberlain was hit by a pitched ball. Hoffburg struck out but Siegosky was also hit, forcing in a run. Edmonston was called out on strikes and Clements grounded out weakly to end the inning.

From this time on Daniels just breezed along. He had the situation completely in hand allowing five hits and fanning eleven. True the Pharmacists scored three more times but Daniels' mates had used "the willow with a will" and given him a commanding lead.

## Pharmacists Score Liberally

Two of the other runs were scored in the fourth when a hit, an error, a walk and Nathanson's long double did the business. In the seventh, Chamberlain's line single to center, Hoffburg's infield out and Siegosky's neat bingle gave the Pharmacists their last tally. Meanwhile the Columbians had done some effective slugging. Opening the

first Zahn was safe on an error and Fenlon beat out a hit. Burgess drove the ball to the farthest reaches of right center for a home run scoring his mates ahead of him.

Blackstone repeated Burgess' performance in the third with the latter and Mulvey on base, to give his team a five run lead. Two rounds later Fenlon beat out another hit to first and Mulvey drove him in with a triple to deep left center. Blackstone's line single brought in Mulvey.

In the sixth the Columbians completed their scoring with five more runs. Caruso was hit by a pitched ball. Daniels struck out but Zahn walked and both runners advanced on Fenlon's out. Burgess walked, filling the bases, and Mulvey did likewise forcing in a run. Blackstone's third hit was a powerful three-base drive that cleaned the sacks. On a wild pitch Blackstone scored a moment later.

## Two Pharmacist Pitchers Go

This finished the scoring for the day and two Pharmacist pitchers, Bray being relieved by Koutsukus whose wildness was costly. Besides the excellent work of Daniels in the box for Columbian College, the hitting of his battery mate, Blackstone, whose single, triple, and home run drove in seven runs, was outstanding. Nathanson at second played a fine game and led his mates at the bat with three solid hits.

The box score:

## Onalene Lawrence, Diver, Gives Exhibition at Classes

Onalene Lawrence, one of Washington's champion divers, gave an exhibition at the men's swimming classes at the Ambassador Hotel on April 12. Miss Lawrence recently returned from Miami where she has been training for the Olympics and her exhibition was of great interest to the classes.

The men's swimming classes meet daily under the supervision of Major E. L. Dyer, and visitors are always welcome at these times.

## Intramural Golf

Pairings have been made, and competition in the intramural golf tournament began yesterday on the East Potomac municipal course.

The first round must be completed by Friday, April 22, according to Jean Sexton, or the event will have to be called off.

## Colonial Golf Team Loses Slow Match

William and Mary Golfers Present Strong Team to Win, 5-1

Showing a better balanced team than in their previous match, the Colonial Golf Team lost to William and Mary golfers by a score of 5-1 on Wednesday, April 13, in a slow match over the wind-swept fairways of the Indian Springs Golf Course at Four Corners, Md.

Bill Coleman, playing number two for the varsity, was the only George Washington player to score in the match. Coleman scored a victory over Waters, of W. and M., in the only over time match of the day. After eighteen holes, which found both men deadlocked, Coleman won the verdict on the nineteenth, when Waters could not match Coleman's steady playing. Jaffee, captain of the invaders and present Metropolitan Public Course Champion of New York City, won from Dolph Atherton, 4 and 3. The Indians won the team match in this foursome, 4 and 3.

Jim Suter and F. Thuney made up the Colonial half of the second foursome and both succumbed to the fine shooting of Lebow and Burke respectively. Suter lost 4 and 3, and Burke took the decision from Thuney 6 and 5. William and Mary took the team match in this foursome 3 and 2.

The next opponent on the golfers' schedule is the University of Richmond, which will be met on April 29. A match with Duke University is tentative for May 6.

## N. Y. U. Sports Show Big Loss

New York University sports showed a deficit of \$20,034.84 during the year ending August 31, 1931. Football was the only activity to show a profit, there being \$4,765.65 net on the receipts of \$430,656. Total income from sports during the year was \$534,098.57.

Braving cold weather and miniature sandstorms, five teams inaugurated the interfraternity baseball series season with victories in games played last Sunday. In almost every game the winning team demonstrated startling batting power, which with numerous errors contributed to make the final scores characteristic of interfraternity baseball teams.

Sigma Nu, Sigma Alpha Epsilon, Kappa Sigma, Phi Sigma Kappa and Theta Upsilon Omega were the teams to return victorious in their opening tilts. In the closest game in League A, Sigma Chi suffered defeat at the hands of the Phi Sig champion machine, 9-6. After getting off to a 6-2 lead, the Phi Sigs faltered long enough to allow the Sigma Chis to score 4 runs in the fifth frame and tie the score. The Eye-Streeters came back to register one run in their half and two markers in the sixth. Charley Monroe held Sickler and Bros. at bay from then on. Monroe's pitching and hitting was a thorn in his opponents' side throughout. Don Sickler pitched well for the losers but did not receive the necessary support. Rote and Hallett, with two hits apiece, led the Sigma Chi attack.

## Hit, Runs and Errors

The T. U. O.-Theta Delt melee finally ended with the Twentieth Streeters the ultimate winners by a score of 28 to 16. Ralph McCoy proved to be the nemesis of the Theta Delt by banging out five hits in five times at the bat. Errors paved the way for the T. U. O. run-away and relief pitching by two of the losers failed to stem the tide. Taylor pitched the entire game for the winners. Newland's play was particularly noticeable in the T. U. O. triumph.

After playing four innings, the Delta Acacia game was called with the Acacias ahead 16-14. Since both teams agreed to call the game, because another game was scheduled to be played at that time, another date will in all probability be decided on for a replay.

Clever pitching and ragged support was resplendent in the S. A. E.-Kappa Alpha contest, which the Sig Alpha captured by a 13 to 2 score. "Bull" Durham and "Reds" Bannerman pitched the entire game for their teams with Durham allowing the K. A.'s 6 hits while striking out 10 men. Bannerman struck out 12 S. A. E. batters but was nicked for eight safeties. Kappa Alpha was unable to score until the sixth inning, when they chased two runs across the plate. S. A. E. accounted for four runs in the first inning, when the K. A. infield seemed to go to pieces, and scored from then on largely through errors on the part of the losers.

## Forty-three Players Enter Intramural Tennis Tourney

Drawings have been completed for the field of forty-three players who have entered the singles play in the intramural tennis tournament. Play will begin the first of the week, and the time limit for each round is limited to the week of that round, making the usual allowances for bad weather. Attention is called to the doubles matches which will not be held unless more contestants are entered.

Goldsmith and Robinson are slated to play the one and two positions by all those familiar with the squad, however, Robinson's apparent lack of form is liable to upset the dopesters. Lee is showing up strongly as a member of the team. The Sherfy brothers will continue as luminaries on the court, and in all probability the twins will bear the buff and blue again this year.

The new date set for the Johns Hopkins match is May 18.

## Veterans Compose New Tennis Squad

They can really be called competition. During the slaughter, the winners chalked up five home runs, while Crouch and Weaver found the losing hitters harmless.

Kappa Sigma found the S. P. E. base-batters little opposition and won easily, 12-1. Both good and indifferent baseball was produced during the seven innings, with the Kappa Sigs starting out to an early lead and then coasting in to win.

As the season progresses the loose play noticeable on all of the Greek teams will probably be curtailed and closer and more evenly contested games are expected.

Wood Province of Kappa Alpha Holds Convention and Installs Chapter Officers

At a convention held at St. John's College, Annapolis, the combined chapters of Wood Province of the Kappa Alpha Order installed their newly elected officers. While this ceremony was going on, women who were guests of the members of K. A., were entertained at a supper, which was preceded by a tea dance. Later in the evening all attended a very impressive installation banquet. At the ceremony, Oliver Pagan was made president of Alpha Nu, the George Washington chapter of Kappa Alpha.

Toll House Tavern was the scene this year, of the annual party given in honor of the Physical Education Major Students, by the Physical Education faculty members. The party this year was a breakfast, and was given that the students and faculty may know each other better. Miss Ruth Atwell is the head of the department, and Miss

Helen Lawrence, Miss Ruth Aubeck and Miss Agnes Rodgers are her assistants, and were the hostesses at the breakfast.

Phi Sigma Sigma announces the engagement of Elizabeth Gelman to Morris Kossow, of Baltimore, Maryland. The wedding will take place in the autumn.

National Chemical Fraternity Initiates Four at Annual Spring Ceremonies

The George Washington chapter of Alpha Chi Sigma, national chemical fraternity, will initiate four neophytes at the annual spring installation of Saturday, April 23. The neophytes, Richard H. Malampy, Lester G. Davidson, James A. Kline, and Edward T. Steiner will be initiated in Corcoran Hall. The annual five day convention of the fraternity will be held in Washington during the month of June. The George Washington chapter, assisted by the Maryland University chapter, as well as the Washington Chemical Society, will be the hosts.

The officers elected to head the Phi Mu sorority for the coming year are as follows: Dorothy Wilson, president; Beryl Dove, first vice president; Dorothy Bates, second vice president; Mary Louise Yauch, secretary; Evelyn Schweitzer, treasurer; Myrtle Williams, assistant treasurer.

Pi Delta Entertain Delegates at Dance at the Roosevelt Hotel

Pi Delta Epsilon, journalistic fraternity, gave a dance in honor of the national convention delegates, on Thursday night, April 14. The dance took place at the Roosevelt Hotel and the music was furnished by the "Mississippians." Herbert O. Eby, a Pi

Delta from Maryland University was chairman for dance arrangements, with Jack Vivian assisting.

Marion Huse, Jeanne West, Nance Hall, Christine Spignul, Barbara Wells, Louise Linkins, and Jane Rhoades, are a few of the George Washington co-eds who left Saturday to attend the Regimental Hop at the United States Naval Academy at Annapolis.

Olivia Watkins has been made province rush captain of Alpha Province of the Zeta Tau Alpha sorority.

Mrs. Vinnie G. Barrows entertained the new officers of Phi Mu at luncheon in the Lambie House on Thursday, April 14.

Zeta Tau Alpha held their elections on April 14, and the following people were elected officers for the year of 1932-1933: Elizabeth Orth, president; Catherine Phelps, vice president; Mary Lee Watkins, secretary; Jeanne West, treasurer; Louise Munroe, historian; and Ruth Giles, guard.

Chi Omega Entertains Mothers' Club at Luncheon

The Mothers' Club of Chi Omega will be entertained at luncheon by the active chapter today, April 19. The luncheon will be in the sorority rooms. Ruth DeVane is in charge of the luncheon and has prepared an attractive table and menu. The newly elected officers will serve.

Rho Epsilon Mu, Physical Education Sorority, entertained the faculty and major students of the Physical Education department at what they termed a Lido Party on Friday, April 15. The party was held at the old church on H Street. The walls were decorated with amusing posters of the faculty, and the room was decorated like a gambling house. There were roulette wheels, dice games, and horse racing. An extremely different feature of the party was a spelling match between the students and the faculty. Refreshments were served and prizes for the best gamblers were distributed.

### Specialists Conduct Education Courses

#### Visiting Experts Join School of Education Staff for Summer Sessions

The University Summer Sessions will see four visiting experts join the staff of the School of Education to aid in the instruction for this department. These experts are: Dr. Roy G. Billett, specialist in School of Administration of the National Survey of Secondary Education; Ethel Mabie, director of Elementary curriculum and Methods in the public schools of Madison, Wisconsin; Julia Hahn, supervising principal of the District public schools, and Harriet H. Albers, research associate in the Adult Education of the American Association of University Women.

These four, with the members of the resident faculty, will offer a program in teacher training designed to fit teachers of all school levels, from the pre-school to the college. The courses will bring to students new and important materials in various special fields, and the opportunity to work on research problems utilizing the library of the United States Office of Education and other resources special to Washington.

A graduate course of particular interest and value to high school teachers will be the seminar in the high school curriculum under the direction of Dr. Billett, which will combine a survey of present tendencies with research studies by members of the class. Dr. Billett also will give courses in the High School and the Junior High School, in which the emphasis will be upon organization and administration.

### Students Found Club In Home Economics

Marie White Will Be Guest Speaker  
Next Wednesday Evening

More than fifty students met in Building C last Wednesday night, April 13, to organize the first Home Economics Club on the campus.

The club, known as The George Washington Home Economics Club and affiliated with the National Home Economics Association, aims to foster an interest in national and international Home Economics as well as to promote intimate friendships and professional advancement of the students both in school and in commercial fields.

The first meeting of the club was devoted to the passage of the constitution and by-laws and the election of the following officers: President, Mary Spangler; vice president, Catherine Eckert; secretary, Dorothy Sedgwick; treasurer, Bessie Buchanan, and historian, Adnah Birthright.

The club will meet every first and third Wednesday at 7:30 p. m. in Building C. Those interested in Home Economics are invited to join the club.

At its next regular meeting on Wednesday, April 20, the club will hear Marie White, special federal agent for Home Economics under the Federal Board of Vocational Education, speak on the work of college home economics clubs throughout the country.

Eight Chapters of Kappa Sigma Hold Conclave in Washington

A conclave of the chapters in District 5 of Kappa Sigma fraternity was held during the past week-end at the George Washington University chapter house. Representatives were from the University of Virginia, University of Richmond, Washington and Lee, William and Mary, Hampton, Sydney, Johns Hopkins University, Randolph-Macon College, and George Washington. The local chapter entertained the visitors at a formal dance at the Kenwood Country Club, Saturday night. A Dagmoir-Night Hawk seven-piece orchestra furnished the music.

A fashion show, with outfits furnished by Phillipsborn's, was featured at the Women's Athletic Association benefit bridge party at Lambie House Saturday afternoon. Beach ensembles, sports outfits, street and afternoon dresses, and evening gowns were modeled by Dorothy Hefebower, Betty Shipp, Harriet Atwell, Mary Wheelchel, and Clara Critchfield.

Grace Dutton spent the past week-end at Hood College, Frederick, Maryland.

Kay Watkins and Burgess Roberts drove to Penn State over the week-end where they attended the Interfraternity Ball.

### Faculty Members; Prominent Students Attend Alpha Delta Pi Open House Tea

A hundred or more men and women attended the Alpha Delta Pi open house, Sunday evening, a celebration featuring their new and attractive rooms at 2020 G Street. The guests included members of all fraternities and sororities, the faculty, wandering Greeks and the patrons and patronesses of the sorority.

Provost Wilbur and Mrs. Wilbur, Mrs. Caroline B. Carroll, Professor and Mrs. Daniel Buchanan, Miss Daisy Watkins, and Miss Anna Pearl Cooper are members of the faculty who spent a pleasant afternoon as guests and chaperons.

The new apartment, consisting of five rooms, is attractively furnished and was profusely decorated with

spring flowers. The tea table carried out the Alpha Delta Pi colors, blue and white. The flowers used were white narcissus, and blue candles furnished a soft, low light.

New spring dresses were prevalent, and the girls looked extremely smart in them. Louise Bruce, who had entire charge of arrangements for the tea, wore a king's blue chiffon dress, trimmed in white chiffon, and dark blue shoes. Kathleen Watkins, president of the chapter, wore a varied colored flowered chiffon and crystal beads and earrings. Professor Anna Pearl Cooper looked exceedingly well in a black flat crepe dress, daintily trimmed in pearl beading. Dorothy Albert, one of the prominent alumnae, was very striking in a canary colored lace dress with bright green accessories. Cecile Harrington, past president of the chapter, wore a dainty pale yellow chiffon, and Betty Reer, with a scarlet and black flax crepe dress, wore a corsage of white gardenias. Ruth Griggs in a model of sage green crepe, used black accessories. Harriet Atwell, a guest, appeared in a brown and white figured crepe, with an attractive white turban. Evelyn Eller, also a guest, had on a smart tailored suit of beige tweed trimmed with fox fur. A hundred or more men and women, all attractively dressed, met and chatted with their friends over the tea table.

The tea was such a pleasant event that many of the guests lingered long after the appointed time and all left regretting that such an afternoon had to come to an end.

### "Swing Back—Hit It," Declare Fair Ladies Of the Tennis Court

"Oh, there goes mine too!"

Anyone passing by the tennis courts down by the Monument Lot last Tuesday, would have been somewhat curious as to the whys and wherefores of the above ejaculation.

Spring has come to town, at least according to the calendar, and, despite the non-cooperation of the weather, George Washington University co-eds turn out en masse for tennis. To cries of "swing back!"—"hit it!"—and the like, the fun starts. Onlookers, seeing these ambitious would-be players, can fully sympathize with the long-suffering instructor.

A great problem presents itself. Just beyond the courts lies the swimming pool, and much skill is required to manipulate a racket and ball without letting the ball land in the pool. That such skill is required can be successfully proved by the court assistants, who more than once are called upon to recover balls. Imagine the chagrin of a fair young aspirant when her ball goes out of bounds and a reluctant male comes to the rescue with the admonition, "Don't make that a habit, young lady."

Professional Group to Have

"Round Table Conference"

A "round table conference" on national economic planning will be held by the Commerce and Economics Professional Fraternity at 8 p. m. tomorrow in the Lambie House. Three members of the group will give synopses of plans suggested by Senator LaFollette in the New Republic Magazine, and in the U. S. Chamber of Commerce. Those who will take part are: Edward C. Wilkie, Gordon Stewart and William Hopkins. An open forum and a business session of the fraternity will follow.

George Washington Baptists

Extend Call for Convention

George Washington University stepped to the fore in real Bicentennial spirit in this month's issue of the "Baptist Student" a publication with a large circulation among college students. In it an invitation was extended by the Baptist Student Union of the University to members of other unions to come to Washington during July. For all those who signified, before May 15, their intention of coming, arrangements for room and breakfast during their stay will be made.

the forty members of the band under the leadership of Director Louis Malkus was well received by everyone.

The feature of the concert was the march "Our Nation's Capital," composed by Chester M. Williams, graduate student at George Washington. The march was loudly applauded by the audience. It is believed that Mr. Williams will dedicate his piece to the University. In that event, it will be renamed "The George Washington University March." Director Malkus plans to offer this selection several times during the season.

Among the other selections played, were: "The Wooden Soldier and the Painted Doll," a novelty, "Pep," by Asaden; and a saxophone octet, "Valse Melodie," by La Forest. Arthur Pryor, organizer and leader of the nationally famous "Pryor's Band," which is now being heard on the radio, was one of the guests at the concert.

It is largely due to the efforts of Ted Rinehart, of the Student Council, that the University Band has attained the success it has.

"Fun is the most important thing in college," was said to the Northwestern university freshmen by Prof. Franklin B. Snyder. Friendship, facts and faith were the other three fruits of a college education as stressed by Professor Snyder. He defined "fun" as exercising the "muscles of the mind."

## Tax on Football Receipts May Work Hardship on College Athletic Policy

"Curley" Byrd, Maryland Mentor, Visions Deplorable Situations Which Foretell Bankruptcy; Cites Decreased Gate Receipts

According to H. C. "Curley" Byrd, director of Athletics at the University of Maryland, the proposed congressional tax on college football receipts, if enacted, will probably send the majority of the collegiate athletic departments into bankruptcy. There has been a general decrease in gate receipts throughout the country within the past year with the result that most colleges are in the red at present and will be in a really serious condition if the suggested 10 per cent tax is imposed.

Says Byrd: "There seems to be an opinion, based largely on reports published at various times during the gridiron season, that football is a great money maker and that it is a rich source of tax revenue that should be tapped. The opposite is the case. Football, except in a few of the largest schools, is not a great money maker, and the average university or collegiate athletic association instead of rolling in wealth, right now is in the red."

The popular Old Line mentor then went on to say that in the case of several state universities and colleges with which he is familiar the situation is so hopeless that only one of two things can result. Either the alumni will have to come through with substantial contributions, the state help out with di-

rect appropriations or bankruptcy cannot be avoided.

As specific examples of the situation Byrd mentioned well-known universities in every section that are in financial difficulties at present.

Wisconsin, considered well off in comparison with some of the other Middle Western schools failed to balance its budget by \$76,000 last year, and next year the Badgers expect to go even further in the red. If the tax bill is passed it is obvious that they can view the situation with nothing but alarm.

In the South, Georgia Tech has been forced to cut its program to the bone and reduce its coaching staff to a minimum. Alabama's receipts fell off 25 per cent last year with losses expected. These are only a few examples of a very general situation.

And the amazing part of the whole affair is that each university is so tied up in its own difficulties that they are not aware of the existence of this clause now before the Senate Finance Committee.

In concluding, Byrd gave the views of three local coaches, Pixlee, Bergman, and Mills, who further augmented his ideas. Each stated that his particular institution had curtailed its program greatly and were in a quandary as to a way out of this extremely dark situation.

Will Install Loud Speakers  
The Radio Club is to participate in a very helpful manner. Exhibits from leading manufacturers in the form of television, phone apparatus, all kinds of communication equipment, etc., will be intermingled with loud speaking apparatus to be installed on the campus. This entry promises to be of especial importance from an educational and instructive standpoint.

One of the popular dance bands of the campus is to present a novelty surprise act in the vodvil, and it is understood that two other bands are contemplating following suit.

Signs No announced its entry with the request for a darkened room or stage. The stunt is known, but it also is one of a surprise nature, and everyone will have to wait until it is staged to satisfy his curiosity.

Glee Club to Entertain  
A group from the University Glee Club will entertain with a musical act that is entirely different from any heretofore presented around the campus.

Zeta Tau Alpha, it has just been learned, has entered a skit in the vodvil, the nature of which will be announced in a special bulletin the last of this week. A booth space was also reserved by the Zetas.

The newly organized Speaker's Congress is out to do things in a big way, and has announced a willingness to assist those in charge of the carnival in every way possible. Plenty of ballyhoos are thus assured.

Bill Billie Will Play  
Theta Upsilon Omega is to stage a hill billy, small town band, which should be a riot of merriment if it lives up to advance reports.

Entered exclusively in the booth division is Alpha Delta Pi. Their contribution is a much needed booth supplying punch and other refreshments. The K. A.'s are to provide a stand, at which, for a small charge, future Walter Johnson's can indulge in night practice.

The Phi Sig and Sigma Chi have entered the carnival, but as yet have not made known what they will do. The Shakespeare Club is to present an interesting side show that should rank well up in that division.

Suggestions as to additional booths and side shows include paddle wheel games, eating stands, freak and gyp shows of all sorts, more stands such as tenpin and baseball throwing games, a stand selling novelties, a minstrel show, a burlesque of favorite professors, etc. Additional entrants are asked to see Louis Malkus, any day between 4:30 and 5:00 p. m., in the basement of Building Q.

The director urges that all entries be in by Thursday night, so that practice on skits and arrangement of booths may be started. If you haven't already entered, don't fail to be represented in this forthcoming carnival, truly an All-University affair.

## Authority on Mathematics

Addresses Club April 22

Professor Gilbert Ames Bliss, renowned mathematician, will lecture to the George Washington University Mathematics Club, Friday, April 22.

Professor Bliss is a well known authority on mathematics. The subject of his talk here will be "The Calculus of Variations and the Quantum Theory." He is a member of the faculty of the University of Chicago, and also of the National Academy of Science. Professor Bliss is able to speak here, because he will be attending the annual convention of the Academy in Washington at that time.

The Mathematics Club will hear Professor Bliss' lecture in Corcoran 20, at 8:30 p. m.

## Dr. James Brown Scott, Famous Jurist, Speaker for Pan-American Exercises

Dr. Scott Stresses Good Will and Appreciation Among 21 American Republics in Address at University on Thursday, April 14

Good will, appreciation, and understanding among the twenty-one American republics, members of the Pan-American Union, were stressed by Dr. James Brown Scott, international jurist and secretary of the Carnegie Endowment for International Peace, in an address at the Pan-American Day exercises at the George Washington University held Thursday, April 14, in Corcoran Hall.

Dr. Scott declared that the need of the republics was for faith in their common destiny and common mission; to "spread our inheritance through the Americas; to enlarge it and to enrich it by our varied experiences in order that the promises of American life may not merely be of the future, but may be realized in our own lives."

"What we have we hold in trust, not for ourselves but for others; and we shall fail in our self-imposed mission if, in the fine phrase of a distinguished

South American statesman, America should not be for America, but for the world as well," he said.

Tracing the history of the Conferences of the American Republics, Dr. Scott termed it as "the periodic recognition that the Americas form one vast community, the representatives of which should from time to time meet and confer on the state of the continent."

President Marvin introduced Dr. Scott, while Provost Wilbur read documents pertaining to Pan American Day, and offered the invocation and benediction.

## University Will Participate in Historical Society Convention

(Continued from Page 1)

Hart, professor emeritus of Harvard and honorary LL.D. alumnus of George Washington who taught here during the 1931 summer session.

The speakers will be Dr. J. C. Fitzpatrick, Dr. E. C. Burnett, and Dr. Charles Moore. Dr. Fitzpatrick, Lit. D., of George Washington University, is the editor of the Bicentennial edition of the works of our first president. He will speak on "The Significance of the Bicentennial Edition and Historical Scholars."

Dr. Burnett of the Carnegie Institute of Washington, will speak on "Washington and Committees at Headquarters." Charles Moore, Ph.D., of George Washington University and chairman of the National Commission of Fine Arts, will talk on "The Potomac Environment of George Washington."

In the evening there will be a session at which a Bicentennial address will be delivered by Professor William E. Dodd of the University of Chicago.

The Association of History Teachers of the Middle Atlantic States and Maryland will be meeting during that week and will attend the program of the American Historical Association. Professor Kayser of this University is in charge of arrangements for the history teachers.

## Seventeen Entrants In Doubles Contest

Second Round of Women's Tennis Tournament Played This Week

Seventeen teams are entered in the women's tennis doubles tournament which is under the supervision of Mary Louise Braselton, manager of tennis. The two seeded teams are Marion Butler, Marian Detweiler, and Helen Chace, and Judith Fishburn, chosen from the participants in last year's tournament.

The first round of the tournament terminated April 18, while the second round is being played off this week. The finals will be one of the events of the annual spring sports week, May 16 to 20.

Class tennis matches will also be played during sports week. Four full class teams of five members each will be picked from the large number of women out for this popular sport.

Class practices are scheduled every day at two o'clock at the Monument courts at 17th and B streets. The class managers assisting the tennis manager are Kathleen Cummings, freshman; Helen Clarke, sophomore; Katherine Wassmann, junior; and Virginia Sheffield, senior.

trusted to the admittedly capable hands of Joe Danzansky, and the role of Brother Jonathan, a Yankee yokel, offers him unbounded opportunity to cavort to the utmost. To see Joe in rehearsal is to go into convulsions—what sort of disturbance he will create in the play when it is presented can be left only to conjecture.

The three leading feminine roles will be played by Ruth Molyneux, Virginia Wilson and Amanda Chittum. The former brings to the part of the heroine an unusual amount of experience gained from countless local productions and as leading lady with Troubadours in "Happy Landings." Coquette roles will be portrayed by the Misses Wilson and Chittum, both of whom bring to their parts distinctive beauty and real dramatic ability.

Shea Plays Hero

Hazen Shea, a principal in the second place winner in the recent D. C. One-act Play Tournament, is to play the hero, Colonel Manley, the author's role. Sol Orleans has the part of the so-called villain, the rake who has his eye on all three of the leading ladies at the same time. Michael Greenberg plays the "meaty" character part of the heroine's father, otherwise President John Adams, and those who remember his excellent work in "The Queen's Husband" last November need no further assurance that here is an experienced actor who threatens to "steal" any scene in which he appears. Frank Westbrook and Helena Cooke complete the cast of principals as servants to the villain and heroine.

Tickets, at \$1 apiece, to the two performances next week-end may be obtained by mailing the order blank printed in this issue of The Hatchet with check to the Cue and Curtain Club,

## \$25,000 IN PRIZES! and may the best "Blurbs" win

464 cash prizes each month—2 first prizes of \$500 each

GET into this shaving cream "blurb" contest, men! Who are you for—Walk or Bill? Palmolive or Colgate's?

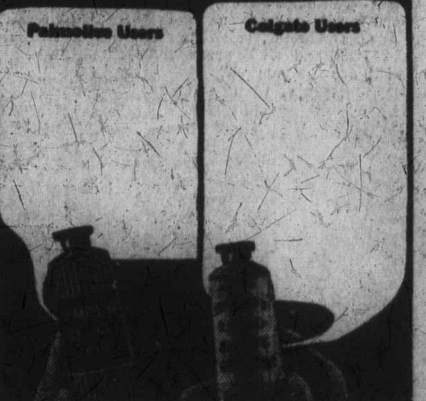

We've discovered that men are rabid on the subject of shaving creams. Just try to tell a Colgate user there's anything better! Or try to convert a Palmolive user to anything else. You'll soon find out!

These are the two leading sellers among all shaving creams. Think of that—in a field of 176 competing brands! What we want to know is—why do you like Palmolive? Or why do you swear by Colgate's? Tell us!

Hence this little contest. There's money in it—lots of money. Get some of it! Help Walk out. Or help Bill out. Notice the two empty "blurb" spaces in the picture at the right. In ONE of these spaces (or on a separate sheet of paper) write what you'd say in favor of Palmolive—or what you'd say in favor of Colgate's. Write it now! And note! Mention your dealer's name. Then if you win, he'll win a prize, too.

Come on you shavers—Get in on this \$25,000 argument.

We'll want you Palmolive users to say your say. Bill says "Stick with me, you Colgate users." If you don't use either, start now and take a shot at this real money. And, don't forget, give your dealer's name!

## CONTEST RULES

MAIL your "blurb" with name and address to Contest Editors, Dept. CN-80, P. O. Box 1133, Chicago, Illinois.

The prize money (totaling \$25,000) is divided into six sets of monthly prizes (each set totaling \$4200). At the end of each month prizes are awarded (see list at right) for the best "blurb" received during that month, as follows:

Feb. 29, \$4200 Mar. 31, \$4200  
Apr. 30, \$4200 May 31, \$4200  
June 30, \$4200 July 31, \$4200  
(Contest closes July 31, 1932)

Contest is open only to residents of the United States and Canada. Employees of the manufacturers and their families are not eligible to compete.

In event of a tie, each tying

contestant will be awarded full amount of the prize tied for. Decision of the judges shall be final.

Some hints to help you win

Here are some facts about the world's two largest selling shaving creams—Colgate's and Palmolive. Here are some of the reasons why men prefer these famous shaving creams.

PALMOLIVE

1. Makes lather in under 250 strokes.  
2. Softens the beard in one minute.  
3. Moisturizes the creamy lather for 10 minutes.  
4. Fine after-effects due to olive oil content.

COLGATE'S

1. Breaks up oil film that covers each hair.  
2. Small bubbles get down to the base of the beard, hold water against each hair at this time and each is soft where the razor works.  
3. Gives a close, skin-like shave due to small bubble action.  
4. Gives a lasting, 24-hour moisture.

Here are the prizes for each month—464 in all!

## Annual Intramural Debating Contests Open in Corcoran

Delta Sigma Rho Fraternity To Award Silver Cups To Winning Teams

Corcoran Hall was the scene of the first round of the Interfraternity and Inter-sorority debate contests last Thursday night. The contest, which is an annual affair, is being held under the auspices of the local chapter of Delta Sigma Rho, national forensic fraternity. Prizes, two silver cups, will be awarded the winning team of each group. The debates were well attended, and have created an unusual amount of interest, due a great deal to the pertinent subjects chosen and the large number of entrants.

The subjects are as follows: For the sororities, Resolved; That married women in Government positions whose husbands are gainfully employed should be replaced by qualified persons now unemployed. For the fraternities, Resolved; That kidnapping should be punishable by death.

Results of the first round are as follows: Zeta Tau Alpha, represented by Olivia Watkins and Jean Kardell, debated the negative and defeated Sigma Kappa. The contest was judged by Professor Tillema. Phi Sigma Sigma, represented by Charlotte Dubin and Sylvia Nelson, also debating the negative, defeated Alpha Delta Theta. Mr. Malloy was the judge in this debate. Alpha Delta Pi, negative, consisting of Ruth White and Margaret Richards, downed Phi Delta. The judge was Professor Buchanan. Kappa Delta, affirmative, represented by Ruth Allen and Dorothy Porterfield, winners of last year's sorority cup, got away to a good start over Chi Omega. Professor Harding was the judge. Alpha Epsilon Phi, negative, consisting of Harriet Doktor and Sylvia Edlavitch, defeated Pi Beta Phi. Professor Dreese judged the debate.

## University Luther Club Gives Musical Program At Meeting on Tuesday

Musical entertainment made up the program for the regular monthly meeting of the George Washington Luther Club, Tuesday, April 12, in the Chapel of the Luther Place Memorial Church. Marian Fowler played two piano solos by MacDowell, after which the Rev. Frank Clutz, assistant pastor of Luther Place Memorial Church, gave a talk on the history of music. Although the scope of the Rev. Clutz's topic was extremely great, he succeeded in bringing out the most important names and facts.

Following his talk, Charles Whitten sang four solos, accompanied at the piano by the Rev. Clutz. Among his selections were: "Water Boy," "Dum," and "The Star." After the program refreshments were served.

In May the Luther Club will have a picnic to which all Lutheran students will be invited.

## 1931 Champs Lose

Phi Sigma Kappa, affirmative, represented by George Pollard and Jack Lathrop, received decision over Theta Delta Chi, judgment having been rendered by Dean West. The representatives of Sigma Alpha Epsilon, Edward Northrop and Douglas Haislip, debating the affirmative side of the question, were adjudged winners over Phi Epsilon Pi by Mr. McMurray. Phi Epsilon Pi was the winner of last year's fraternity cup. James Hobbes and Harry Clayton, debating the negative for Theta Upsilon Omega, defeated Kappa Sigma in a contest judged by Professor Audley Smith. Phi Alpha, affirmative, represented by Joe Danzansky and Abram Simon, won over Sigma Chi. The debate was judged by Mr. Hogan.

Semi-finals, which will be run off Thursday of this week, are as follows: For the sororities, Zeta Tau Alpha, upholding the affirmative, will debate Delta Zeta in Corcoran Hall 22. Alpha Epsilon Pi, will debate the affirmative side of the question against Alpha Delta Pi in Corcoran Hall 15. Kappa Delta, arguing the affirmative, will meet Phi Sigma Sigma in Corcoran Hall 24.

For the fraternities, Acacia, who had drawn a bye the first round, will meet Sigma Alpha Epsilon on Tuesday night, the winner to debate Phi Alpha in the semi-finals on Thursday. Other contests are as follows: Theta Upsilon Omega, upholding the affirmative, will debate Phi Sigma Kappa in Corcoran Hall 22.

## Student Council Candidates Give Platforms for Elections

(Continued from Page 1)

all elections will be announced shortly.

A ten-piece orchestra, a unit of the George Washington University Band, which helped to make the last Council dance a success, will again be featured. The admission price is one dollar, stag or couple.

Two more candidates have taken advantage of the pages of The Hatchet to make public their policies and projects.

In a letter addressed to the students of the School of Government, George Wenzl advocates the formulation of a plan by which the student body, through a referendum, could indicate to the Student Council projects it favored. This suggestion is in accordance with the policy expressed in a letter to the students of Columbian College from Catherine Prichard.

Policies and duties of the Student Council which she would support are outlined in Catherine Prichard's letter. To serve as an organ of student opinion, as a governing agency, as a unifying force, and as the leader of the student body, are the essential responsibilities of the Student Council, as expressed in her communication.

## International Student Society To Show Films at Meeting

The International Student Society will show a film, "A Trip Through Holland," at their next meeting on May 4 in Corcoran Hall 10. Henri R. M. Van Hoff will introduce the picture and speak on it as it is being shown.

After the picture there will be several violin and piano selections and refreshments will be served.

The entertainment is open to all George Washington students, but those who are not members of the club will be charged a quarter admission.

The film is being loaned to the society through the courtesy of The Netherlands Legation.

Statistics reveal that 60 former college athletic heroes are now presidents of colleges and universities in these United States.

## Fine Arts Students Will Hear Ely Kahn

Noted Architects Will Be Guests at Banquet; Prof. Smith, Toastmaster

Plans for the Division of Fine Arts Banquet sponsored by the Scarab Fraternity have been completed. Mr. Ely Jacques Kahn, a leading New York architect and director of the Beaux-Arts Institute of Design, will be the guest of honor. The banquet is to be held Thursday, April 21. The beautifully decorated Chinese room of the Mayflower Hotel has been chosen for the event.

Professor Delos Smith, prominent graduate of George Washington Architectural School, will be toastmaster. Professor Smith is an outstanding Washington architect and is active in the Washington Chapter of the American Institute of Architects.

The Division has invited, as guests, several very prominent men and women in civic Washington. Numbering among them will be President Cloyd Heck Marvin, Mrs. G. W. Richardson, Mrs. Joshua Evans Jr., Mr. Harry Cassell Davis and Colonel U. S. Grant III.

Marvin Will Give Welcome  
Colonel Grant is superintendent of public buildings and parks in Washington, and is consequently quite an authority on art and architecture in public edifices. President Marvin will address a brief welcome to the assembled guests and students.

Arrangements for the banquet have been completed by Charles Jumper, Edward Spano and Walter Peter with the co-operation of Norris L. Grandall, director of the Division of Fine Arts. The cover for the programs was done by Joseph Himmelheber. It is a pencil sketch of the capital, excellently executed. Himmelheber received wide renown when his drawings appeared weekly in the Sunday Star rotogravure section. He is one of Washington's most prominent young artists, and is a pledge to Scarab Fraternity.

Tickets for the banquet may be obtained from any member of the fraternity, or from Robert C. Boulnot, secretary to the director of the Division of Fine Arts. Boulnot's office is on the second floor of the Fine Arts Building.

## Tri-C Team Victor In Basketball Finals

Colonial Campus Club Defeats Pi Phi in Close Game, 23-17

Beta Phi and the Colonial Campus, winners of their respective leagues, met in the finals of the women's intra-mural basketball tournament Wednesday night, April 13. In a hard fought battle the Pi Phis went down to defeat before the Tri-Cs with a count of 23-17.

The play during the first half was even, both teams fighting hard for the lead. Margaret Coughlan, Tri-C, by her accurately placed shots, was responsible for her team's 15-12 advantage at the sound of the whistle. The second period went to the Tri-Cs in spite of the fast playing of Midge Montgomery, Pi Phi. The smooth working team of the Colonial Campus Club, undefeated throughout the entire tournament, carried away the game with a final score of 23-17.

## Physical Education Society Is Meeting in New Brunswick

(Continued from Page 1)

at New Jersey College for Women, New Brunswick, New Jersey.

Convention headquarters in Philadelphia are at the Benjamin Franklin Hotel. The group of George Washington students attending are Inge von Lewinski, Kay McCallum, Helen Chafee, Edith Grosvenor, Grace Haley, Bettie Elfeldt, and Mary Lee Watkins. The instructors are Ruth Atwell, Helen Lawrence, Agnes Rodgers, and Ruth Aubeck.

The social activities will include a dance Wednesday night, a breakfast meeting of the Women's Division of the N. A. A. F. on April 21, a dance that night from 10 to 1, and the convention luncheon on Friday, April 22. Saturday, the final day, will be devoted to sight-seeing tours of the city.

At the New Brunswick convention the discussion on Monday concerned "The Physical Education Requirement in Colleges—Large, Small, and Co-ed." The topics for consideration on Tuesday were "Methods of Grading" and "Pre-College Training in Physical Education." In addition, a study of "The Modern Dance Movement" was presented by John Martin.

## Wile, Lyon, Noted Journalists Head Pi Delta Speakers

(Continued from Page 1)

He stressed persistency as one of the qualities which an aspirant to a successful journalistic career must have, both in securing a position and in gaining promotion. Mr. Lyon, also, is an honorary member of Pi Delta Epsilon.

Watson Davis, former editor of "The Hatchet," and member of The George Washington University chapter of Pi Delta Epsilon, tendered a few remarks at the banquet and described some of the problems entailed in making scientific discoveries intelligible to the laymen through the medium of the public press.

Following the addresses the awards for outstanding specimens of collegiate newspaper work were announced. The prize winners were: For news stories, Emanuel A. Honig, Lehigh University, first prize; Warren S. Gardner, St. Lawrence University, second prize; Serano Loftness, St. Olaf College, for editorials; Emanuel A. Honig, Lehigh University, first prize; John Thurston, University of Minnesota, second prize; Albert Arent, Cornell University, third prize. Several honorable mentions were awarded in each classification. This contest is sponsored each year by Pi Delta Epsilon.

At the initiation conducted following the banquet, the following pledges from the George Washington University were inducted into Pi Delta Epsilon in a model ceremony presided over by Henry Gratton Doyle, grand secretary, and Professor M. M. Harris, grand vice president; C. Manley Fessler, Lester M. Gates, Leo David, John T. Vivian, John T. Madigan, Gordon V. Potter, Samuel B. Detweiler, Wilbur T. McNallen, John Walstrom, and Roger Marquis. Others initiated were pledges from the Massachusetts Institute of Technology; and Ralph Palmer, George F. Authier, and Russell Kent, who were received into the fraternity as honorary members.

National officers elected Thursday were: M. M. Harris, grand president, Pennsylvania State College, State College, Pennsylvania; Marc Goodnow, grand vice president; University of Southern California, Los Angeles, California; James R. Killian, Jr., grand vice president, Massachusetts Institute of Technology, Cambridge, Massachusetts; Karl C. Leebich, grand vice president, Syracuse University, Syracuse, N. Y.; Philip Marmore, grand vice president, Georgia Institute of Technology, Atlanta, Georgia; James Hasselman, Michigan State College, East Lansing, Michigan. The following officers were re-elected for two-year terms: Henry Gratton Doyle, grand secretary, George Washington University, Washington, D. C.; Roland S. Evans, grand treasurer, 12500 Greenfield Avenue, Detroit, Michigan; Robert Hooper McNeil, grand editor, Virginia Polytechnic Institute, Blacksburg, Va.

A luncheon, the day's business sessions, and the national elections were held Thursday at the Catholic University of America, as guests of the Pi Delta Epsilon chapter of that school.

The convention was closed Thursday evening with a dance at the Roosevelt Hotel, with Howard Dowd's Mississippians furnishing the music. Catherine Prichard cooperated with the members of the local chapter of Pi Delta Epsilon in securing "dates" for the visiting journalists. The visitors were housed at the various fraternity houses while in Washington.

## Medical Society Listens to Doctor Charles W. Mayo

Dr. Charles W. Mayo, of the Mayo Clinic, read a paper before the George Washington University Medical Society on Saturday night, April 16. Dr. Mayo comes from Rochester, Minnesota, for this occasion, and was introduced by Dr. Frederick August Reuter, president of the George Washington society.

The meeting was held at 8 p. m. at the George Washington University School of Medicine, 1335 H Street N. W.

Six special beds, 6 feet, 4 inches long, have been installed in the men's dormitories at the University of Minnesota for the convenience of the extra-long students.

## Ackerman Speaks To College Scribes

George Washington Journalists Attend Newspaper Convention at Haverford

Doctor Carl Ackerman, dean of the Pulitzer School of Journalism of Columbia University, and Will Irwin, famous war correspondent and author, were the featured speakers at the annual convention of the Eastern Inter-collegiate Press Association, at which more than forty college editors gathered last week.

John T. Madigan, assistant editor of The Hatchet, and Lester M. Gates, business manager, represented George Washington University at the conference held at Haverford College, Ardmore, Pennsylvania, Friday and Saturday.

The Lehigh Brown and White won two cups for first places in the editorial and news contests and Dickinson, Swarthmore, and Haverford won second and third places.

The convention voted down a resolution to go on record condemning the action of Columbia University in expelling Reed Harris, editor of the Columbia Spectator. Later Dean Ackerman made a statement in his address at the convention banquet concerning the case but added that his remarks were in confidence and were not for publication.

Harry G. Proctor, of the Philadelphia Evening Bulletin, and Doctor George Douglas, of the Philadelphia Evening Public Ledger, were among the speakers at the several discussion sessions.

## WANTED A STUDENT CRUISE DIRECTOR

We want one student in this university to organize air-tour groups. Generous financial return to the man who qualifies. Also opportunity for interesting travel.

Cruises are made in giant Pan American multi-engine air-liners. Cool, luxurious travel in the upper air at 117 miles an hour. The West Indies, Central America, South America out of the tourist season, in all their native charm. Night life in gay Cuba. The drama of Haiti, thrilling in the distant hills. Panama, crossroads of the world. The ancient Mayan ruins at Chichen Itza in Yucatan. Mexico City, that mile-high metropolis where brilliant still flowers. Or Rio de Janeiro, sparkling Buenos Aires and Montevideo, Peru, Chile. To these exotic places and a hundred others in the 30 countries of Latin America covered by Pan American, largest air transport system in the world, on 39,000 miles of airways.

This year these student group tours will be offered at 40% reduction from standard passenger rates, between June 1 and September 1. For example this discount brings air trips from Miami to Havana down to \$16.50. From our Texas terminal to Mexico City, \$36.50. From Miami to Panama, with overnight stop at Jamaica, luncheon stops in Cuba and Colombia, only \$108. Some student reductions to any point on our lines. If you feel that you have the personality, the social position and collegiate standing to qualify as representative of our company on the campus, write immediately. Please give full particulars as to your personal qualifications and responsibility. Address: Mr. V. B. Chasen, General Traffic Manager, Pan American Airways System, 123 East 42d Street, New York, N. Y.

A handwoven Home-spun for which you would have to pay the famous New Haven Tailors \$75 or a Gros-spun suit, tailored so exactly like the \$75 original that it is almost impossible to detect the difference.

This smart cloth moulds to the body like a tweed, yet it keeps its appearance and press like a basket weave. It has all the characteristics of a home-spun, and there is a wide choice of colors—heather, oatmeal, blue-grey, sand, and the new home-spun checks.

Step into Grosner's and try on the coat. Immediately you'll note that this isn't a "stamping mill" model, it has the air of newness and spring and you'll like it. If you are interested can't get to the store this week won't you make an effort see me?
